Brown Rudnick Advises Wheel It Forward on new location at Quinnipiac University

Brown Rudnick client Wheel It Forward has opened its fourth branch, located on Quinnipiac University's campus in Hamden, Connecticut. Brown Rudnick's Steven Weinberger advised Wheel It Forward on its lease with Quinnipiac and attended the ribbon cutting ceremony for the new facility on April 23, 2026.

Wheel It Forward's mission is to provide durable medical equipment (DME) such as wheelchairs, canes, walkers, and hospital beds at no cost to those in need; it also accepts donations of lightly used DME. It operates in four locations throughout Connecticut.

Mr. Weinberger first connected with Wheel It Forward before joining Brown Rudnick as Real Estate Counsel, through his relationship with Pro Bono Partnership, a nonprofit organization that provides business and transactional legal services to nonprofit organizations in need throughout Connecticut, New York, and New Jersey.

Brown Rudnick provides pro bono legal support to individuals, organizations, and small businesses, hosts legal clinics and community service efforts, and coordinates charitable giving drives.
